Damage Had Been Done

Shortly before 11 o'clock Thursday

on the corner of the Bennett hill
and the Bennett hill. The fire was
discovered by a small boy who was
in the school house at the time. He
saw that one of the desks in the
room was on fire.

Several others who were passing
by the school house at the time
saw the fire and ran to the school
house. They found that the fire was
in one of the desks in the room.

A few minutes later the fire was
extinguished. The damage was
not great. The fire was caused

MR VANAMEE'S NOMINATION.

Why His Name Was Withdrawn—His
Letter to the Governor and the Gov-
ernor's Letter to Him.

We have been furnished with copies of
the following letters which passed be-
tween Mr. Vanamee and Gov. Roosevelt
in regard to the withdrawal of Mr. Van-
amee's nomination for commissioner of
education.

NEWBURGH, N. Y., April 7th 1899.
Hon. Theodore Roosevelt, the Capitol,
Albany, N. Y.

Dear Sir—I saw in the Tribune this
morning the suggestion that in nominat-
ing me for the position of county com-
missioner you probably overlooked the
fact that I had made the speech nominat-
ing my old friend Judge Maynard in
the Saratoga convention of 1891.

This is undoubtedly so. In fact I
thoroughly overlooked it myself. If it
had been known that I had made the
speech nominating my old friend Judge
Maynard in the Saratoga convention of
1891, I should have been able to avoid
this position. The fact that my name
was under consideration by you came to
me as a total surprise and you will remem-
ber that when you summoned me to an
interview with you your thought and
intention was to nominate me for the
position of county commissioner.

It is now a matter of course that I
am not a candidate for the position of
county commissioner. I am not a candi-
date for the position of county com-
missioner. I am not a candidate for
the position of county commissioner.

While it would indeed be a source of
pride to me to be associated with your
administration of public affairs, it is
still a great satisfaction to me to know
that after the most full inquiry into my
character and my record in the past
you have decided to nominate me for
the position of county commissioner.

Nor do I for one moment assume that
such regard in any way affected by the
fact that I gave in behalf of Judge May-
nard in the Saratoga convention of 1891.
I am not a candidate for the position
of county commissioner. I am not a
candidate for the position of county
commissioner.

But it is obvious that a large number
of our fellow citizens will not let Judge
Maynard's name pass without a full in-
quiry into his character and his record
in the past. I am not a candidate for
the position of county commissioner.

The events of that period and the con-
nection with them of all living persons
are readily and adequately discussed
without the constant dragging in of the
name of a dead man. I am not a candi-
date for the position of county com-
missioner. I am not a candidate for
the position of county commissioner.

Yours most sincerely,
WILLIAM VANAMEE

STATE OF NEW YORK,

BATH'S EASY VICTORY.

Defeated the Asylum at Indoor Base
Ball by a Score of 18 to 7.

That is the way the 24th boys wait-
tended the Asylum ball team at the
Asylum. Thursday night, before 250 peo-
ple. The game was close except for two
fatal innings when the 24th boys batted.

The ball all over the Asylum, making
fourteen runs before the side was retired.
The onlooker who was not at the
game will say, perhaps, that the Asy-
lums' team was a game so that it would
be "outrun." If he had been there
he would think very differently. The
way the 24th boys waited the ball out
of the Asylum players was a caution.

Stewart, the Asylum's pitcher,
was knocked out of the box in the
second inning and he was sent to
left field, and Butts pitched the remain-
der of the game. Some one said Stewart
was talking about something. Butts
held the batters down pretty well until
the eighth inning, when eight runs were
scored on clean hits. The attack work of
Wallace Thompson, Robinson Gaus-
man, Terhune, Schwartz and Wagoner
was fine. Thompson's line was run-
ning was a feature, though he took risks
which didn't suit the rest of the players.

Wallace played second base and caught
the bats in the Asylum and Terhune
was the bats of the Asylum. The
Tuxedo team in picking up grounds-
men and stopping him. Shaw was a little
nervous on first at the beginning of the
game, but settled down after a while.
Schwartz played too close to the batter
at right about.

For the Asylum's pitcher was a wonder.
He caught every thing in reach and field-
ed well. Reliable Chas. Geoghegan was
the same old basket at first, and Lawler
was on catching on fourth as Harry
Brown's dog. O'Brien Butts and
Hudson played the infield well.

The full score is as follows:
24th A. T. O. Asylum F. O.
Gausman, c. 2 3 Butts, 3bp 3 2
Clawson, c. 2 4 Stewart, 1st 1 4

Sigismundi told Constable Fether-

The money will not be especially pleas-
ing to Sigismundi's attorney for the de-
fense for appearing for him in police
court as still "coming."
